- 8.12.20.6 permit the Interested Director to absent himself or herself from the discussion of matters relating to the Conflict at any meeting of the Directors and be excused from reviewing papers prepared by, or for, the Directors to the extent they relate to such matters.

- 3.27 If at least one-third of the Directors present so request, the voting (other than by paper ballot) on any question may be recorded to show how each director present voted or abstained.
- 3.28 If a Director so requests, his or her vote shall be recorded by name upon any vote (other than by paper ballot).
- 3.29 In no circumstances may an absent Director vote by proxy. Absence is defined as being absent at the time of the vote.
- 3.30 An Officer who has been appointed formally by the Board of Directors to act up for an Executive director during a period of incapacity or temporarily to fill an Executive Director vacancy, shall be entitled to exercise the voting rights of the Executive Director. An Officer attending the Board of Directors to represent an Executive Director during a period of incapacity or temporary absence without formal acting up status may not exercise the voting rights of the Executive Director. An Officer's status when attending a meeting shall be recorded in the minutes.

Minutes

- 3.31 The minutes of the proceedings of a meeting shall be drawn up and submitted for agreement at the next ensuing meeting where they will be signed by the person presiding at it.
- 3.32 No discussion shall take place upon the minutes except upon their accuracy or where the Chairman considers discussion appropriate. Any amendment to the minutes shall be agreed and recorded at the next meeting.
- 3.33 Minutes shall be circulated in accordance with Directors' wishes. Where providing a record of a public meeting the minutes shall be made available to the public.

Votes of Joint Directors

- 3.34 Where the office of an Executive Director is shared jointly by more than one person:
- a) either or both of those persons may attend or take part in meetings of the Board of Directors:
 - b) if both are present at a meeting they should cast one vote if they agree:
 - c) in the case of disagreements no vote should be cast;

- d) the presence of either or both of those persons should count as the presence of one person for the purposes of SO 3.41

Suspension of Standing Orders

- 3.35 Except where this would contravene any statutory provision or any provision of the authorisation or of the constitution or any direction of the regulator, any one or more of the Standing Orders may be suspended at any meeting, provided that at least two-thirds of the Board of Directors are present, including one Executive Director and one Non-executive Director, and that a majority of those present vote in favour of suspension.
- 3.36 A decision to suspend Standing Orders shall be recorded in the minutes of the meeting.
- 3.37 A separate record of matters discussed during the suspension of Standing Orders shall be made and shall be available to the Chairman and directors.
- 3.38 The Audit and Risk Committee shall review every decision to suspend Standing Orders.

Variation and Amendment of Standing Orders

- 3.39 These Standing Orders shall be amended only if:
- a notice of motion under Standing Order 3.18 has been given; and
 - no fewer than half the total of the Trust's Non-executive Directors vote in favour of amendment; and
 - at least two-thirds of the Directors are present; and
 - the variation proposed does not contravene any statutory or regulatory requirements or of the Constitution.

Record of Attendance

- 3.40 The names of the Chairman and Directors present at the meeting shall be recorded in the minutes.

Quorum

- 3.41 No business shall be transacted at a meeting unless at least one-third of the whole number of the Chairman and other voting Directors appointed, (including at least one Non-executive Director and one Executive Director) are present.
- 3.42 An Officer in attendance for an Executive Director but without formal acting up status may not count towards the quorum.
- 3.43 If the Chairman or Director has been disqualified from participating in the discussion on any matter and/or from voting on any resolution by reason of the declaration of a conflict of interest (see Standing Order 7) he shall no longer count towards the quorum. If a quorum is then not available for the discussion and/or the passing of a resolution on any matter, that matter may not be discussed further or voted upon at that meeting. Such a position shall be recorded in the minutes of the meeting. The meeting must then proceed to the next business. The above requirement for at least one Executive Director to form part of the quorum shall not apply where the Executive Directors are excluded from a meeting (for example when the Board of Directors considers the recommendations of the Remuneration and Terms of Service Committee).

3.44 The above requirement for at least one Non-executive Director to form part of the quorum shall not apply where the Non-executive Directors are excluded from a meeting as a class (for example when the Board of Directors considers provisions of the Constitution relating to the interests of Non-executive Directors as a class).

3.45 Three quarters of the Directors must be present for any vote on a special resolution; this to include decisions on appointment or dismissal.

4 ARRANGEMENTS FOR THE EXERCISE OF FUNCTIONS BY DELEGATION

4.1 Subject to the constitution and any such directions as may be given by the Regulator, the Board of Directors may make arrangements for the exercise, on behalf of the Board of Directors and the Trust, of any of its functions:

- by a committee, or a sub-committee appointed by virtue of Standing Order 5.1 or 5.2 below; or
- by an Executive Director of the Trust, in each case subject to such restrictions and conditions as the Board of Directors thinks fit.

Emergency Powers

4.2 The powers which the Board of Directors has retained to itself within these Standing Orders (Standing Order 2.3) may in emergency be exercised by the Chief Executive and the Chairman after having consulted at least two Non-executive Directors. The exercise of such powers by the Chief Executive and Chairman shall be reported to the next formal meeting of the Executive Committee and the Board of Directors in public session for ratification. The Board of Directors may also instruct the Chairman to take certain actions and report back to a subsequent meeting.

4.3 The Trust Board may take decisions in respect of the business of the Trust outside of a formal meeting of the Board by written resolution by email or correspondence, sent by the Company Secretary or nominee. This is subject to the quorum of the Board endorsing the required decision.

Delegation to Committees

4.4 The Board of Directors shall agree from time to time to the delegation of executive powers to be exercised by committees or sub-committees which it has formally constituted in accordance with Standing Order 5.1 or 5.2 below and the Constitution. The Constitution and terms of reference of these committees, or sub-committees and their specific executive powers shall be approved by the Board of Directors.

4.5 When the Board of Directors is not meeting as the Trust in public session it shall operate as a committee and may only exercise such powers as may have been delegated to it by the Trust in public session.

Delegation to Officers

4.6 Those functions of the Trust which have not been retained as reserved by the Board of Directors or delegated to a committee or sub-committee shall be exercised on behalf of the Trust by the Chief Executive. The Chief Executive shall determine which functions he or she will perform personally and shall nominate Officers to undertake the remaining functions for which he or she will still retain accountability to the Trust.

- 4.7 The Chief Executive shall prepare a Reservation of Powers and Scheme of Delegation identifying his or her proposals, which shall be considered and approved by the Board of Directors, subject to any amendment, agreed during the discussion. The Chief Executive may periodically propose amendment to the Reservation of Powers and Scheme of Delegation, which shall be considered and approved by the Board of Directors as indicated above.
- 4.8 Nothing in the Reservation of Powers and Delegation of Powers shall impair the discharge of the direct accountability to the Board of Directors of the Chief Financial Officer to provide information and advise the Board of Directors in accordance with the Constitution of any statutory requirements or provisions required by the Regulator. Outside these statutory requirements the Chief Financial Officer shall be accountable to the Chief Executive for operational matters.
- 4.9 The arrangements made by the Board of Directors as set out in the Reservation of Powers and Delegation of Powers shall have effect as if incorporated in these Standing Orders.

Lack of compliance with Standing Orders

- 4.10 If for any reason these Standing Orders are not complied with, full details of the non-compliance and any justification for non-compliance and the circumstances around the non-compliance, shall be reported to the next formal meeting of the Board of Directors for action or ratification. All Directors of the Board of Directors and staff have a duty to disclose any non-compliance with these Standing Orders to the Chief Executive as soon as possible.

5 COMMITTEES

- 5.1 Subject to the Constitution and any applicable regulatory requirements, the Board of Directors may appoint committees of the Trust, consisting wholly or partly of directors of the Trust. The Board may only delegate its powers to such a committee if that committee consists entirely of Board directors.
- 5.2 Subject to the Constitution and any applicable regulatory requirements, a committee appointed under these Standing Orders may appoint sub-committees consisting of either (a) wholly or partly of members of the relevant committee (whether or not they are directors of the Trust) or (b) wholly of persons who are not Directors of the Trust subject to the same proviso as in S.O 5.1 relating to membership of the committee and the restrictions relation to delegation of powers.
- 5.3 The Standing Orders of the Trust, as far as they are applicable, shall apply with appropriate alteration to meetings of any committees or sub-committees established by the Board of Directors. In such a case the term “Chairman” is to be read as a reference to the Chairman of the committee or sub-committee as the context permits, and the term “Director” is to be read as a reference to a member of the committee also as the context permits. (There is no requirement to hold meetings of committees or sub-committees established by the Board of Directors in public.)
- 5.4 Each such committee and sub-committee shall have such terms of reference and powers and be subject to such conditions (as to reporting back to the Board of Directors), as the Board of Directors shall decide and shall be in accordance with any relevant legislation and

regulation or direction issued by Monitor. Such terms of reference shall have effect as if incorporated into the Standing Orders.

5.5 The Board of Directors shall approve the appointments to each of the committees, which it has formally constituted. Where the Board of Directors determines that persons, who are neither Directors nor Officers, shall be appointed to a committee the terms of such appointment shall be determined by the Board of Directors. The Board of Directors shall define the powers of such appointees and shall agree allowances, including reimbursement for loss of earnings, and/or expenses in accordance where appropriate with its Constitution.

5.6 The committees established by the Board of Directors are:

- Audit and Risk Committee
- Nominations and Remuneration Committee

The board may establish any other committee it requires in order to carry out the business of the trust. However, the committee structure must allow for the following portfolios to be covered for assurance purposes:

- Quality and safety
- Strategy
- Workforce

6 DECLARATIONS OF INTERESTS

Declaration of Interests

6.1 The Constitution requires the Directors to declare relevant and material interests. These may be their interests or those of close family members. The Directors must comply with the Trust's Declaration of Interests, Gifts and Hospitality Policy.

6.2 All Directors must make a declaration of relevant interests at least once per year (even if a 'nil' return) or when their interests change. Any Directors appointed subsequently should make the declaration on appointment.

Register of Interests

6.3 The details of Directors interests recorded in the Register will be kept up to date in accordance with the Constitution. Directors must notify the Company Secretary of any new or amended information as they occur during the year.

6.4 The Register will be available for inspection by the public free of charge at all reasonable times. The Chairman will take reasonable steps to bring the existence of the Register to the attention of the local population and to publicise arrangements for viewing it. Copies or extracts of the Register must be provided to members of the Trust free of charge and within a reasonable time period of the request. A reasonable charge may be imposed on non-members for copies or extracts from the Register.

7 DISABILITY OF CHAIRMAN AND DIRECTORS IN PROCEEDINGS ON ACCOUNT OF PECUNIARY INTEREST

7.1 Subject to the following provisions of this Standing Order, if the Chairman or a director has any pecuniary interest, direct or indirect, in any contract, proposed contract or other

matter and is present at a meeting of the Board of Directors at which the contract or other matter is the subject of consideration, he shall at the meeting and as soon as practicable after its commencement disclose the fact and shall not take part in the consideration or discussion of the contract or other matter or vote on any question with respect to it.

7.2 The Board of Directors may exclude the Chairman or any Director from a meeting of the Board of Directors while any contract, proposed contract or other matter in which he has a pecuniary interest, is under consideration.

7.3 Any remuneration, compensation or allowances payable to the Chairman or a Non-executive Director in accordance with the Constitution shall not be treated as a pecuniary interest for the purpose of this Standing Order.

7.4 For the purpose of this Standing Order the Chairman or a Director shall be treated, subject to SO 7.3 and SO 7.5, as having indirectly a pecuniary interest in a contract, proposed contract or other matter, if:

a) he or she, or a nominee of his or hers, is a director of a company or other body, not being a public body, with which the contract was made or is proposed to be made or which has a direct pecuniary interest in the other matter under consideration;

or

b) he or she is a partner of, or is in the employment of a person with whom the contract was made or is proposed to be made or who has a direct pecuniary interest in the other matter under consideration;

and in the case of family or close personal relationships the interest of one party shall, if known to the other, be deemed for the purposes of this Standing Order to be also an interest of the other.

7.5 The Chairman or a Director shall not be treated as having a pecuniary interest in any contract, proposed contract or other matter by reason only:

a) of his membership of a company or other body, if he has no beneficial interest in any securities of that company or other body;

b) of an interest in any company, body or person with which he is connected as mentioned in SO 7.4 above which is so remote or insignificant that it cannot reasonably be regarded as likely to influence a director in the consideration or discussion of or in voting on, any question with respect to that contract or matter.

7.6 This Standing Order shall not prohibit the Chairman or a director from taking part in the consideration or discussion of the contract or other matter or from voting on any question with respect to it, without prejudice however to his or her duty to disclose his or her interest, where:

a) the Chairman or a director has an indirect pecuniary interest in a contract, proposed contract or other matter by reason only of a beneficial interest in securities of a company or other body, and

- b) the total nominal value of those securities does not exceed £5,000 or one-hundredth of the total nominal value of the issued share capital of the company body, whichever is the less, and
- c) if the share capital is of more than one class, the total nominal value of shares of any one class in which he has a beneficial interest does not exceed one-hundredth of the total issued share capital of that class.

7.7 The Standing Order applies to a committee or sub-committee as it applies to the Board of Directors and applies to a member of any such committee or sub-committee (whether or not he is also a Director) as it applies to a Director.

8 MANAGING CONFLICTS WITHIN THE NHS

8.1 Staff should comply with the national guidance contained in Annex A. This section of Standing Orders should be read in conjunction with these documents.

Interest of Officers in Contracts

8.2 If it comes to the knowledge of an Officer of the Trust that a contract in which he has any pecuniary interest not being a contract to which he is himself a party, has been, or is proposed to be, entered into by the Trust he shall, at once, give notice in writing to the Chief Executive of the fact that he is interested therein. In the case of married persons or persons living together as partners, the interest of one partner shall, if known to the other, be deemed to be also the interest of that partner.

8.3 An Officer should also declare to the Chief Executive any other employment or business or other relationship of his, or of a member of his/her family or of someone with whom he/she has a close personal relationship, that conflicts, or might reasonably be predicted could conflict with the interests of the Trust.

8.4 The Trust requires interests, employment or relationships so declared to be entered in a register of interests of staff.

Canvassing of, and Recommendations by, Directors in Relation to Appointments

8.5 Canvassing of Directors or of members of any Committee of the Board of Directors directly or indirectly for any appointment under the Trust shall disqualify the candidate for such appointment. The contents of this paragraph of the Standing Order shall be included in application forms or otherwise brought to the attention of candidates.

8.6 A Director shall not solicit for any person any appointment under the Trust or recommend any person for such appointment, but this paragraph of this Standing Order shall not preclude a Director from giving written testimonial of a candidate's ability, experience or character for submission to the Trust.

8.7 Informal discussions outside appointments panels or committees, whether solicited or unsolicited, should be declared to the panel or committee.

Relatives of Directors or Officers

8.8 Candidates for any Trust staff appointment shall, when making application, disclose in writing to the Trust whether they are related to any Director or the holder of any office under the Trust. Failure to disclose such a relationship shall disqualify a candidate and, if appointed, render him liable to instant dismissal.

- 8.9 The Chairman and every Director and Officer of the Trust shall disclose to the Chief Executive any relationship between himself and a candidate of whose candidature that Director or Officer is aware. It shall be the duty of the Chief Executive to report to the Board of Directors any such disclosure made.
- 8.10 On appointment, Directors (and prior to acceptance of an appointment in the case of Executive Directors) should disclose to the Board of Directors whether they are related to any other Director or holder of any office in the Trust.
- 8.11 Where the relationship to a Director of the Trust is disclosed, the Standing Order headed 'Disability of Chairman and directors in proceedings on account of pecuniary interest' (SO 7) shall apply.

9 CUSTODY OF SEAL AND SEALING OF DOCUMENTS

Custody of Seal

- 9.1 The Chief Executive shall keep the Common Seal of the Trust in a secure place.

Sealing of Documents

- 9.2 The Seal of the Trust shall not be fixed to any documents unless the sealing has been authorised by a resolution of the Board of Directors or of a committee, thereof or where the Board of Directors has delegated its powers. The fixing of the Seal of the Trust shall be authenticated by the signature of the Chairman (or the Vice Chairman in the absence of the Chairman) and of one Director,
- 9.3 Before any building, engineering, property or capital document is sealed it must be approved and signed by the Chief Financial Officer (or an Officer nominated by him/her) and authorised and countersigned by the Chief Executive (or an Officer nominated by him/her who shall not be within the originating directorate).

Register of Sealing

- 9.4 An entry of every sealing shall be made and numbered consecutively in a book provided for that purpose, and shall be signed by the persons who shall have approved and authorised the document and those who attested the seal. A report of sealings will be made to the Board of Directors meeting following use of the seal. An annual report of sealings will be made to the Audit and Risk committee and appended to the next report of that committee to the board.

10 SIGNATURE OF DOCUMENTS

- 10.1 Where the signature of any document will be a necessary step in legal proceedings involving the Trust, it shall be signed by the Chief Executive, unless any enactment otherwise requires or authorises, or the Board of Directors shall have given the necessary authority to some other person for the purpose of such proceedings.
- 10.2 The Chief Executive or nominated officers shall be authorised, by resolution of the Board of Directors, to sign on behalf of the Trust any agreement or other document not requested to be executed as a deed, the subject matter of which has been approved by the Board of Directors or any committee, sub-committee or standing committee with delegated authority.

11 MISCELLANEOUS

Standing Orders to be given to Directors and Officers

- 11.1 It is the duty of the Chief Executive to ensure that Directors and Officers and all new appointees are notified of and understand their responsibilities within Standing Orders and Standing Financial Instructions. Updated copies shall be issued to staff designated by the Chief Executive. New designated Officers shall be informed in writing and shall receive copies where appropriate of Standing Orders.

Documents having the standing of Standing Orders

- 11.2 Standing Financial Instructions and Reservation of Powers and Delegation of Powers shall have effect as if incorporated into Standing Orders.

Review of Standing Orders

- 11.3 Standing Orders shall be reviewed annually by the Board of Directors. The requirement for review extends to all documents having the effect as if incorporated in Standing Orders.

Joint Finance Arrangements

- 11.4 The Board of Directors may confirm contracts to purchase from a voluntary organisation or a local authority using its powers under Section 75 of the 2006 Act. The Board of Directors may confirm contracts to transfer money from the NHS to the voluntary sector or the health-related functions of local authorities where such a transfer is to fund services to improve the health of the local population more effectively than equivalent expenditure on NHS services, using its powers under Section 75 of the 2006 Act.

ANNEX A – PART A

The public rightly expect the highest standards of behaviour in the NHS, and we take our responsibility as custodians of taxpayers' money very seriously. Decisions involving the use of NHS funds should never be influenced by outside interests or expectations of private gain, but we recognise that conflicts of interest are unavoidable in complex systems.

NHS staff need to be empowered to use good judgement in managing conflicts of interest effectively, and need to be safeguarded so they can continue to work innovatively with partners whilst also providing transparency to the taxpayer.

New guidance on managing conflicts of interest in the NHS:

- introduces common principles and rules for managing conflicts of interest
- provides simple advice to staff and organisations about what to do in common situations
- supports good judgement about how interests should be approached and managed.

Link to Guidance: [Conflicts of Interest in the NHS – Guidance for staff and organisations](#)

The guidance came into force on **1 June 2017** and is applicable to the following NHS organisations:

- [Clinical Commissioning Groups \('CCGs'\)](#) via the statutory guidance to CCGs issued by NHS England
- NHS Trusts and NHS Foundation Trusts – which include secondary care trusts, mental health trusts, community trusts, and ambulance trusts
- NHS England (through the Standards of Business Conduct).

This guidance supersedes and extinguishes the Standards of Business Conduct for NHS staff (HSG(93)5).

The guidance does not apply to bodies not listed above (i.e. independent and private sector organisations, general practices, social enterprises, community pharmacies, community dental practices, optical providers, local authorities).

ANNEX A PART B

NHS Management Executive (NHSME) - general guidelines as adapted by the Moorfields Eye Hospital NHS Foundation Trust Hospitality Policy

Introduction

1. These guidelines, which are intended by the NHSME to be helpful to all NHS employers and their employees, re-state and reinforce the guiding principles previously set out in Circular HM (62) 21 (now cancelled), relating to the conduct of business in the NHS.

Note - In these guidelines "NHS employer" means all "for action" addressees listed on the title page of HSG (93) 5.

Responsibility of NHS employers

2. NHS employers are responsible for ensuring that these guidelines are brought to the attention of all employees; also that machinery is put in place for ensuring that they are effectively implemented.

Responsibility of NHS staff

3. It is the responsibility of staff to ensure that they are not placed in a position, which risks, or appears to risk, conflict between their private interests and their NHS duties. This primary responsibility applies to *all NHS Staff*, i.e. those who commit NHS resources directly (e.g. by the ordering of goods) or those who do so indirectly (e.g. by the prescribing of medicines). A further example would be staff who may have an interest in a private nursing home and who are involved with the discharge of patients to residential facilities.

Guiding principle in conduct of public business

4. It is a long established principle that public sector bodies, which include the NHS, must be impartial and honest in the conduct of their business, and that their employees should remain beyond suspicion. It is also an offence under the Prevention of Corruption Acts 1906 and 1916 for an employee corruptly to accept any inducement or reward for doing, or refraining from doing anything, in his or her official capacity, or corruptly showing favour, or disfavour, in the handling of contracts (see PART A).

Staff will need to be aware that a breach of the provisions of these Acts renders them liable to prosecution and may also lead to loss of their employment and superannuation rights in the NHS

Principles of conduct in the NHS

5. NHS staff are expected to:
 - ensure that the interest of patients remains paramount at all times;
 - be impartial and honest in the conduct of their official business;
 - use the public funds entrusted to them to the best advantage of the service, always ensuring value for money.
6. It is also the responsibility of staff to ensure that they do **not**:
 - abuse their official position for personal gain or to benefit their family or friends;
 - seek to advantage or further private business or other interests, in the course of their official duties.

Implementing the guiding principles Hospitality, Gifts and Rewards

7. Directors and employees of the Trust should not receive any hospitality, gift or rewards, including luncheon or dinner appointments or entertainment outside Trust premises, from any firm, individual or organisation external to the Trust, other than isolated gifts of a trivial nature eg. Calendars or conventional hospitality such as working lunches.
8. This applies to both implicit and explicit offers and whether or not linked to the awarding of contracts, or a change in working practices.
9. If an individual receives hospitality, gifts or rewards in excess of £25.00 they should declare the offer. If an individual is unsure whether the offer constitutes hospitality, gifts or rewards as defined by the Trust's policy, then they should declare.
10. All declarations of hospitality, gifts or rewards will be entered into the Trust's Hospitality Register.

Declaration of interests

11. NHS employers need to be aware of all cases where an employee, or his or her close relative or associate, has a controlling and/or significant financial interest in a business (including a private company, public sector organisation, other NHS employer and/or voluntary organisation), or in any

other activity or pursuit, which may compete for an NHS contract to supply either goods or services to the employing authority.

12. All NHS staff should therefore declare such interests to their employer, either on starting employment or on acquisition of the interest, in order that it may be known to and in no way promoted to the detriment of either the employing authority or the patients whom it serves.
13. One particular area of potential conflict of interest, which may directly affect patients, is when NHS staff hold a self-beneficial interest in private care homes or hostels. While it is for staff to declare such interests to their employing authority, the employing authority has a responsibility to introduce whatever measures it considers necessary to ensure that its interests and those of patients are adequately safeguarded. This may for example take the form of a contractual obligation on staff to declare any such interests. Advice on professional conduct issued by the General Medical Council recommends that when a doctor refers a patient to a private care home or hostel in which he or she has an interest, the patient must be informed of that interest before referral is made.
14. In determining what needs to be declared, employers and employees will wish to be guided by the principles set out in paragraph 5 above; also the more detailed guidance to staff contained in Part D.
15. NHS employers should:
 - ensure that staff are aware of their responsibility to declare relevant interests (perhaps by including a clause to this effect in staff contracts)
 - consider keeping registers of all such interests and making them available for inspection by the public.
 - develop a local policy, in consultation with staff and local staff interests, for implementing this guidance. This may include the disciplinary action to be taken if an employee fails to declare a relevant interest, or is found to have abused his or her official position, or knowledge, for the purpose of self-benefit, or that of family or friends.

Preferential treatment in private transactions

16. Individual staff must not seek or accept preferential rates or benefits in kind for private transactions carried out with companies with which they have had, or may have, official dealings on behalf of their NHS employer. (This does not apply to concessionary agreements negotiated with companies by NHS management, or by recognised staff interests, on behalf of all staff - for example, NHS staff benefits schemes.)

Contracts

17. All staff who are in contact with suppliers and contractors (including external consultants), and in particular those who are authorised to sign Purchase Orders, or place contracts for goods, materials or services, are expected to adhere to professional standards of the kind set out in the CIPS Code set out at Annex A Part C.

Favouritism in awarding contracts

18. Fair and open competition between prospective contractors or suppliers for NHS contracts is a requirement of NHS Standing Orders and of EC Directives on Public Purchasing for Works and Supplies. This means that:

- no private, public or voluntary organisation or company which may bid for NHS business should be given any advantage over its competitors, such as advance notice of NHS requirements. This applies to all potential contractors, whether or not there is a relationship between them and the NHS employer, such as a long-running series of previous contracts.
 - each new contract should be awarded solely on merit, taking into account the requirements of the NHS and the ability of the contractors to fulfil them.
19. NHS employers should ensure that no special favour is shown to current or former employees or their close relatives or associates in awarding contracts to private or other businesses run by them or employing them in a senior or relevant managerial capacity. Contracts may be awarded to such businesses where they are won in fair competition against other tenders, but scrupulous care must be taken to ensure that the selection process is conducted impartially, and that staff who are known to have a relevant interest play no part in the selection.

Warnings to potential contractors

20. NHS employers will wish to ensure that all invitations to potential contractors to tender for NHS business include a notice warning tenderers of the consequences of engaging in any corrupt practices involving employees of public bodies.

Outside employment

21. NHS employees are advised not to engage in outside employment, which may conflict with their NHS work, or be detrimental to it. They are advised to tell their NHS employing authority if they think they may be risking a conflict of interest in this area: the NHS employer will be responsible for judging whether the interests of patients could be harmed, in line with the principles in paragraph 5 above. NHS employers may wish to consider the preparation of local guidelines on this subject.

Private practice

22. Consultants (and associate specialists) employed under the Terms and Conditions of Service of Hospital Medical and Dental Staff are permitted to carry out private practice in NHS hospitals subject to the conditions outlined in the handbook "A Guide to the Management of Private Practice in the NHS". (See also PM (79) 11). Consultants who have signed new contracts with Trusts will be subject to the terms applying to private practice in those contracts.
23. Other grades may undertake private practice or work for outside agencies, providing they do not do so within the time they are contracted to the NHS, and they observe the conditions in paragraph 20 above. All hospital doctors are entitled to fees for other work outside their NHS contractual duties under "Category 2" (paragraph 37 of the TCS of Hospital Medical and Dental staff), e.g. examinations and reports for life insurance purposes. Hospital doctors and dentists in training should not undertake locum work outside their contracts where such work would be in breach of their contracted hours. Career grade medical and dental staff employed by NHS Trusts may agree terms and conditions different from the National Terms and Conditions of Service.

Rewards for Initiative

24. NHS employers should ensure that they are in a position to identify potential intellectual property rights (IPR), as and when they arise, so that they can protect and exploit them properly, and thereby ensure that they receive any rewards or benefits (such as royalties) in respect of work commissioned from third parties, or work carried out by their employees in the course of their NHS

duties. Most IPR are protected by statute; e.g. patents are protected under the Patents Act 1977 and copyright (which includes software programmes) under the Copyright Designs and Patents Act 1988. To achieve this NHS employers should build appropriate specifications and provisions into the contractual arrangements, which they enter into *before* the work is commissioned, or begins. They should always seek legal advice if in any doubt in specific cases.

25. With regard to patents and inventions, in certain defined circumstances the Patents Act gives *employees a right* to obtain some reward for their efforts, and employers should see that this is effected. Other rewards may be given voluntarily to employees who within the course of their employment have produced innovative work of outstanding benefit to the NHS. Similar rewards should be voluntarily applied to other activities such as giving lectures and publishing books and articles.
26. In the case of collaborative research and evaluative exercises with manufacturers, NHS employers should see that they obtain a fair reward for the input they provide. If such an exercise involves additional work for an NHS employee outside that paid for by the NHS employer under his or her contract of employment, arrangements should be made for some share of any rewards or benefits to be passed on to the employee(s) concerned from the collaborating parties. Care should however be taken that involvement in this type of arrangement with a manufacturer does not influence the purchase of other supplies from that manufacturer.

INTRODUCTION

Statutory Framework

The Moorfields Eye Hospital NHS Foundation Trust ("**the Trust**") became a Public Benefit Corporation on 1st April 2004 following the approval of the Independent Regulator pursuant to what was then the Health and Social Care (Community Health and Standards) Act 2003.

The functions of the Trust are conferred by the Regulatory Framework. The Regulatory Framework, and in particular paragraph 8.23.5 of the Constitution requires the Membership Council to adopt standing orders for the regulation of its proceedings and business.

2 MEETINGS OF THE MEMBERSHIP COUNCIL

2.1 Admission of the Public and the Press

The public and representatives of the press shall be afforded facilities to attend all formal meetings of the Membership Council but the public and press may be excluded from all or part of any meeting by resolution of the Membership Council on the grounds that publicity would be prejudicial to the public interest by reason of the confidential nature of the business to be transacted or for other special reasons stated in the resolution and arising from the nature of the business or of the proceedings.

Nothing in these SOs shall require the Membership Council to allow members of the public and/or representatives of the press to record proceedings in any manner whatsoever, other than in writing, or to make any oral report of proceedings as they take place, without the prior agreement of the Membership Council.

2.2 Calling meetings

Subject to SO 2.3, ordinary meetings of the Membership Council shall be held at such times and places as the Membership Council may determine.

The Membership Council shall meet at least four times per financial year, including an annual meeting no later than 31 October in each financial year when the Membership Council is to receive and consider the annual accounts, any report of the auditor on them and the annual report.

The Company Secretary shall call the meetings referred to in SO 0.

2.3 Notice of Meetings

2.3.1 Before each meeting of the Membership Council, a notice of the meeting, specifying the business proposed to be transacted at it, and signed by the Chairman (or by an Officer authorised by the Chairman to sign on his or her behalf) shall be sent to every Governor by e-mail to the given e-mail address of such Governor and/or by post to the preferred address of such Governor, so as to be available to him at least five days before the meeting.

2.3.2 Want of service of the notice referred to in SO 2.3.1 on any Governor shall not affect the validity of a meeting.

2.3.3 Not less than three Governors may by notice in writing to the Secretary requisition an extraordinary meeting of the Membership Council and on receipt of such notice the Secretary shall cause such a meeting to be called within seven days of receipt of the notice. No business shall be transacted at the meeting other than that specified in the notice.

2.3.4 The notice of the agenda will be sent to Governors at least five days before the meeting and supporting papers, whenever possible, shall accompany the agenda, but will certainly be despatched no later than three days before the meeting, save in emergency. Failure to serve the notice of agenda and supporting papers on more than three Governors will invalidate the meeting. The notice of agenda and supporting papers shall be presumed to have been served one day after posting or on the same day where the notice has been e-mailed.

2.3.5 Before each meeting of the Membership Council a public notice of the time and place of the meeting, and the public part of the agenda, shall be displayed at the Trust Headquarters at least three days before the meeting.

2.4 Setting the Agenda

2.4.1 The Membership Council may determine that certain matters shall appear on every agenda for a meeting and shall be addressed prior to any other business being conducted.

2.4.2 A Governor desiring a matter to be included on an agenda shall make his request in writing to the Chairman at least ten days before the meeting. The request should state whether the item of business is proposed to be transacted in the presence of the public and should include appropriate supporting information. Requests made less than ten days before a meeting may be included on the agenda at the discretion of the Chairman.

2.5 Petitions

Where a petition has been received by the Trust the Chairman of the Membership Council shall include the petition as an item for the agenda of the next Membership Council meeting.

2.6 Chairman of the Meeting

2.6.1 At any meeting of the Membership Council, the Chairman, if present, shall preside.

2.6.2 If the Chairman is absent from the meeting (including by reason of a conflict of interests) the Vice Chairman of the Board of Directors shall preside.

2.6.3 If the Chairman and Vice Chairman of the Board of Directors are absent temporarily from a meeting of the Membership Council owing to a declared conflict of interest or otherwise, the Vice Chairman of the Membership Council shall preside for that part of the meeting and as the person chairing the meeting, shall have a casting vote.

2.6.4 In the event that one of the Chairman, Vice Chairman of the Board of Directors or Vice Chairman of the Membership Council is unable to attend the meeting, the Membership Council may appoint one of the members of the Board of Directors to act as Chairman of the meeting.

2.7 Notices of Motion

A Governor desiring to move a Motion shall send a written notice thereof at least ten days before the meeting to the Chairman, who shall insert in the agenda for the meeting all notices so received. This paragraph shall not prevent any Motion being moved during the meeting, without notice on any business mentioned on the agenda.

2.8 Withdrawal of Motion or Amendments

A Motion or amendment once moved and seconded may be withdrawn by the proposer with the concurrence of the seconder and the consent of the Chairman.

2.9 Motion to Rescind a Resolution

Notice of a Motion to amend or rescind any resolution (or the general substance of any resolution) which has been passed within the preceding six calendar months shall bear the signature of the Governor who gives it and also the signature of four other Governors. When any such Motion has been disposed of by the Membership Council (i.e. a Motion to amend or rescind any resolution has failed to be passed), no Governor shall propose a Motion to the same effect within six months, unless the Chairman gives his consent for a Governor to do so.

2.10 Motions

2.10.1 The mover of a Motion shall have a right of reply at the close of any discussion on the motion or any amendment thereto.

2.10.2 When a Motion is under discussion or immediately prior to discussion it shall be open to a Governor to move:

- An amendment to the Motion.
- The adjournment of the discussion or the meeting.
- That the meeting proceed to the next item of business*.
- The appointment of an ad hoc committee to deal with a specific item of business.
- That the Motion be now put*.
- A Motion resolving to exclude the public (including the press).

* To ensure objectivity, Motions may only be put by a Governor who has not previously taken part in the debate and who is eligible to vote.

2.10.3 No amendment to the Motion shall be admitted if, in the opinion of the Chairman, the amendment negates the substance of the Motion.

2.11 Circumstances where persons other than Governors may be allowed to speak at meetings

Subject to these SOs in relation to interests, any Director or their nominated representatives may attend meetings of the Membership Council and, subject to the approval of the Chairman speak to any item under consideration.

2.12 Chairman's Ruling

Statements of Governors (and other persons with the right to speak in accordance with SO 2.11 above) made at meetings of the Membership Council shall be relevant to the matter under discussion at the material time and the decision of the Chairman on questions of order, relevancy, regularity and any other matters shall be final.

2.13 Voting

2.13.1 Every question at a meeting shall be determined by a majority of the votes of the Chairman and Governors present and voting on the question and, in the case of the number of votes for and against a Motion being equal, the Chairman shall have a second and casting vote.

2.13.2 All questions put to the vote shall, at the discretion of the Chairman, be determined by oral expression or by a show of hands. A paper ballot may also be used if a majority of the Governors present so request.

2.13.3 If at least one-third of the Governors present so request, the voting (other than by paper ballot) on any question may be recorded to show how each Governor present voted or abstained.

2.13.4 If a Governor so requests, his vote shall be recorded by name upon any vote (other than by paper ballot).

2.14 Minutes

2.14.1 The Minutes of the proceedings of a meeting shall be drawn up and submitted for agreement at the next ensuing meeting where they will be signed by the person presiding at it.

2.14.2 No discussion shall take place upon the minutes except upon their accuracy or where the Chairman considers discussion appropriate. Any amendment to the minutes shall be agreed and recorded at the next meeting.

2.14.3 Minutes shall be circulated in accordance with Governors' wishes. Where providing a record of a meeting held in public the minutes shall be made available to the public as required by the Freedom of Information Act 2000.

2.15 Suspension of Standing Orders

2.15.1 Save where prohibited by the Regulatory Framework or the law, any SO may be suspended at a meeting, provided that at least two-thirds of the Membership Council are present and the majority of that two thirds are the aggregate of the Public Governors and Patient Governors, and that a majority of those present vote in favour of suspension.

2.15.2 A decision to suspend the SOs shall be recorded in the minutes of the meeting. No formal business shall be transacted while the SOs are suspended.

2.15.3 A separate record of matters discussed during the suspension of SOs shall be made and shall be available to the Chairman and Governors.

2.15.4 The Trust's Audit and Risk Committee shall review every decision to suspend the SOs.

2.16 Variation and Amendment of Standing Orders

These SOs shall be amended only if:

- a notice of Motion under SO 2.10 has been given; and
- no fewer than half the total of the Governors vote in favour of amendment; and
- at least two-thirds of the Governors are present; and
- the variation proposed does not contravene the Regulatory Framework

2.17 Record of Attendance

The names of the Chairman and Governors present at the meeting shall be recorded in the minutes. The names of others in attendance at the meeting shall also be recorded in the minutes.

2.18 Quorum

2.18.1 No business shall be transacted at a meeting unless the Chairman (or the person presiding in his absence under SO 2.6.2 to 2.6.4) is present and at least one-third of the number of Governors is present, where one third of the number of Governors consists of a majority of the aggregate of Public and Patient Governors.

2.18.2 Where at any meeting there is no quorum present within 30 minutes the meeting shall stand adjourned for a minimum of five days to a maximum of twenty days and upon reconvening those present shall constitute a quorum.

2.18.3 If the Chairman or a Governor has been disqualified from participating in the discussion on any matter and/or from voting on any resolution by reason of the declaration of a conflict of interest he shall no longer count towards the quorum. If a quorum is then not available for the discussion and/or the passing of a resolution on any matter, that matter may not be discussed further or voted upon at that meeting. Such a position shall be recorded in the minutes of the meeting. The meeting must then proceed to the next item of business.

2.19 Meetings – electronic communication

2.19.1 In this SO, "communication" and "electronic communication" shall have the meanings set out in the Electronic Communications Act 2000 (to primarily include telephone or video conferencing) or any statutory modification or re-enactment thereof.

2.19.2 A Governor in electronic communication with the Chairman and all other parties to a meeting of the Membership Council or of a committee or sub-committee of the Membership Council shall be regarded for all purposes as personally attending such a meeting provided that, but only for so long as, at such a meeting he has the ability to communicate interactively and simultaneously with all other parties attending the meeting including all persons attending by way of electronic communication.

2.19.3 A meeting at which one or more of the Governors attends by way of electronic communication is deemed to be held at such a place as the Governors shall at the said meeting resolve. In the absence of such a resolution, the meeting shall be deemed to be held at the place (if any) where a majority of the Governors attending the meeting are physically present, or in default of such a majority, the place at which the Chairman of the meeting is physically present.

2.19.4 Meetings held in accordance with this SO are subject to SO 2.18 (Quorum). For such a meeting to be valid, a quorum MUST be present and maintained throughout the meeting.

2.19.5 The minutes of a meeting held in this way MUST state that it was held by electronic communication and that the Governors were all able to hear each other and were present throughout the meeting. This will be confirmed by acceptance of the minutes at the next meeting.

3 COMMITTEES

3.1 Subject to the Regulatory Framework, the Membership Council may appoint Committees, sub committees, joint committees and/or working groups with the Board of Directors or other health service or related bodies. Committees, sub committees, joint committees and/or working groups may call upon outside advisors to help them in their tasks, provided that the financial and other implications of seeking outside advisors have been discussed and agreed with the Chairman and reported to the Board of Directors.

3.2 Committees and joint committees appointed under SO 3.1 may appoint sub committees consisting wholly or partly of Governors of that Committee or joint committee (whether or not they are Governors or members of the Trust or other health service or related bodies in question); or wholly of persons who are not members of the Trust or other health service bodies or the Committee of the Trust or other health service bodies in question.

3.3 The SOs shall, as far as they are applicable, apply with appropriate alteration to meetings of any Committees established by the Membership Council. In which case the term “Chairman” is to be read as a reference to the Chairman of the Committee as the context permits, and the term “member” is to be read as a reference to a member of the committee also as the context permits. There is no requirement to hold meetings of Committees established by the Membership Council in public.

3.4 Each such Committee shall have such terms of reference and powers and be subject to such conditions (as to reporting back to the Membership Council), as the Membership Council shall decide and shall be in accordance with the Regulatory Framework. Such terms of reference shall have effect as if incorporated into the SOs.

3.5 Where Committees and joint committees are authorised to establish sub-committees they may not delegate Governors' powers to the sub-committee.

3.6 The Membership Council shall approve the appointments to each of the Committees, which it has formally constituted. Where the Membership Council determines, and the Regulatory Framework permits, that persons, who are not Governors, shall be appointed to a Committee the terms of such appointment shall be within the powers of the Membership Council as defined by the Constitution. The Membership Council shall define the powers of such appointees and shall agree allowances, including costs and expenses in accordance with the Regulatory Framework.

3.7 Where the Membership Council is required to appoint persons to a Committee, and where such appointments are to operate independently of the Membership Council such appointment shall be made in accordance with the Regulatory Framework.

4 DECLARATIONS OF INTERESTS

4.1 Declaration of Interests –

The Constitution requires Governors to declare relevant and material interests. These may be their interests or those of close family members. The Governors must comply with the Trust's Declaration of Interests, Gifts and Hospitality Policy.

All Governors must make a declaration of relevant interests at least once per year (even if ‘nil’ returns) or when their interests change such interests. Any Governors appointed subsequently should do so on appointment.

The Trust's Declaration of Interests, Gifts and Hospitality Policy should be referred to for details of interests to be declared and the definition of 'close relative'

4.2 Disability of Chairman and Governors in proceedings on account of pecuniary interest

4.2.1 Subject to the following provisions of this SO, if the Chairman or a Governor has any pecuniary interest, direct or indirect, in any contract, proposed contract or other matter and is present at a meeting of the Membership Council at which the contract or other matter is the subject of consideration, he or she shall at the meeting and as soon as practicable after its commencement disclose the fact and shall not take part in the consideration or discussion of the contract or other matter or vote on any question with respect to it.

4.2.2 The Membership Council may exclude the Chairman or a Governor from a meeting of the Membership Council while any contract, proposed contract or other matter in which he has a pecuniary interest, is under consideration.

4.2.3 Any expenses payable to Governors in accordance with the Constitution shall not be treated as a pecuniary interest for the purpose of this SO.

4.2.4 For the purpose of this SO the Chairman or a Governor shall be treated, subject to SO 0 and SO 4.2.6, as having indirectly a pecuniary interest in a contract, proposed contract or other matter, if:

- d) he, or a nominee of his, is a director of a company or other body, not being a public body, with which the contract was made or is proposed to be made or which has a direct pecuniary interest in the other matter under consideration;
- or
- e) he is a partner of, or is in the employment of a person with whom the contract was made or is proposed to be made or who has a direct pecuniary interest in the other matter under consideration.

4.2.5 The Chairman or a Governor shall not be treated as having a pecuniary interest in any contract, proposed contract or other matter by reason only:

- f) of his directorship of a company or other body, if he has no beneficial interest in any securities of that company or other body;
- g) of an interest in any company, body or person with which he is connected as mentioned in SO 4.2.4 above which is so remote or insignificant that it cannot reasonably be regarded as likely to influence a Governor in the consideration or discussion of or in voting on, any question with respect to that contract or matter under consideration.

4.2.6 Where the Chairman or a Governor has an indirect pecuniary interest in a contract, proposed contract or other matter by reason only of a beneficial interest in securities of a company or other body, and the total nominal value of those securities does not exceed £5,000 or one-hundredth of the total nominal value of the issued share capital of the company body, whichever is the less, and if the share capital is of more than one class, and the total nominal value of shares of any one class in which he has a beneficial interest does not exceed one-hundredth of the total issued share capital of that class, this SO shall not prohibit him from taking part in the consideration or discussion of the contract or other matter or from voting on any question with respect to it, without prejudice however to his duty to disclose his interest.

The SOs apply to a Committee, sub-committee, joint committee or a working group as they apply to the Membership Council and apply to a member of any such Committee, sub-committee, joint committee or working group (whether or not he is also a member) as they apply to a Governor.

4.3 Managing conflicts of interest in the NHS

Governors should comply with the NHS Foundation Trust Code of Governance, the Governors' Code of Conduct and any guidance and best practice advice issued by the Independent Regulator. Directors and Officers should also consider and comply with Appendix A of the SOs (see pages 59 – 64). This section of the SOs should be read in conjunction with these documents.

4.4 Interest of Officers in Contracts

4.4.1 If it comes to the knowledge of a Governor that a contract in which he has any pecuniary interest not being a contract to which he is himself a party, has been, or is proposed to be, entered into by the Trust he shall, at once, give notice in writing to the Chief Executive of the fact that he is interested therein. In the case of married persons or persons living together as partners, the interest of one partner shall, if known to the other, be deemed to be also the interest of that partner.

4.4.2 A Governor should also declare to the Chief Executive any other employment or business or other relationship of his, or of a member of his family or of someone with whom he has a close personal relationship, that conflicts, or might reasonably be predicted could conflict with the interests of the Trust.

4.4.3 The Trust requires interests, employment or relationships so declared to be entered in a register of interests of Governors.

5 MISCELLANEOUS

5.1 Standing Orders to be given to Governors

It is the duty of the Secretary to ensure that Governors are notified of and understand their responsibilities within the SOs.

5.2 Lack of compliance with Standing Orders

If for any reason these SOs are not complied with, full details of the non-compliance and any justification for non-compliance and the circumstances around this, shall be reported to the next formal meeting of the Membership Council and the Audit Committee for action or ratification. All Governors have a duty to disclose any non-compliance with SOs to the Chairman as soon as possible.

5.3 Review of Standing Orders

The SOs shall be reviewed annually by the Membership Council. The requirement for review extends to all documents having the effect as if incorporated in the SOs.

5.4 Conflicts of interest and standards of ethical business conduct guidance

Governors should make reference to Annex A – Annex B (pages 59 – 64 of this constitution). All clauses relating to the duty to avoid conflicts of interest and adherence to the standards of ethical business conduct apply to the governors elected to, and appointed to, the Membership Council.

ANNEX 4: ELECTION PROCEDURES

1. Additional Provision for Elected Governors

Elected Governors should indicate any special circumstances such as work and home arrangements that the Trust should take into account when setting meeting dates and times and any other sessions such as training or induction.

The Trust will provide support and resources (word processing, mailing lists for example) to enable Elected Governors to carry out their duties.

Managers and heads of department will allow Staff Governors to attend meetings of the Membership Council, the Annual General Meeting, and associated meetings or training sessions.

Staff Governors will be given time out (approximately 1 day per month) from their everyday duties to perform Governor duties (travel to other sites for staff membership purposes for example).

2. Declarations

The specified form of declaration referred to at paragraph 8.10.5 of this Constitution regarding the declaration to stand for election as an Elected Governor shall be as set out on the nomination paper referred to in the Model Rules for Elections at Annex 4 and shall state as follows:

"I declare that I am resident at the address detailed in Section 1 of this form. I declare that to the best of my knowledge I am not de-barred from standing for election by any of the provisions detailed at Section 3 of this form. I declare that I have stated details of any of my political membership and any financial interests I have in the Applicant NHS Trust or (as the case may be) the Trust at Section 4 of this form. I understand that if any of these declarations are later found to be false I will if elected lose my seat on the Membership Council and may also have my membership withdrawn."

The specified form of declaration referred to at paragraph 7.9.5 of this Constitution regarding the declaration to vote in elections for Public Governors will be as set out in Rule 21 of the Model Rules for Elections.

“count” means all the operations involved in counting of the first preferences recorded for candidates, the transfer of the surpluses of elected candidates, and the transfer of the votes of the excluded candidates,

“deemed to be elected” means deemed to be elected for the purposes of counting of votes but without prejudice to the declaration of the result of the poll, “mark” means a figure, an identifiable written word, or a mark such as “X”,

(b) which is excluded by the returning officer under rule STV44(4) below,

“preference” as used in the following contexts has the meaning assigned below—

(a) “first preference” means the figure “1” or any mark or word which clearly indicates a first (or only) preference,

(b) “next available preference” means a preference which is the second, or as the case may be, subsequent preference recorded in consecutive order for a continuing candidate (any candidate who is deemed to be elected or is excluded thereby being ignored); and

(b) in this context, a “second preference” is shown by the figure “2” or any mark or word which clearly indicates a second preference, and a third preference by the figure “3” or any mark or word which clearly indicates a third preference, and so on,

“quota” means the number calculated in accordance with rule STV41 below,

“surplus” means the number of votes by which the total number of votes for any candidate (whether first preference or transferred votes, or a combination of both) exceeds the quota; but references in these rules to the transfer of the surplus means the transfer (at a transfer value) of all transferable papers from the candidate who has the surplus,

37. Arrangements for counting of the votes – The returning officer is to make arrangements for counting the votes as soon as is practicable after the close of the poll.

38. The count – (1) The returning officer is to –

(a) count and record the number of ballot papers that have been returned, and

(b) count the votes according to the provisions in this Part of the rules.

(2) The returning officer, while counting and recording the number of ballot papers and counting the votes, must make arrangements to ensure that no person obtains or communicates information as to the unique identifier on a ballot paper.

(3) The returning officer is to proceed continuously with counting the votes as far as is practicable.

STV39. Rejected ballot papers – (1) Any ballot paper –

(a) which does not bear the features that have been incorporated into the other ballot papers to prevent them from being reproduced,

(b) on which the figure “1” standing alone is not placed so as to indicate a first preference for any candidate,

(c) on which anything is written or marked by which the voter can be identified except the unique identifier, or

(d) which is unmarked or rejected because of uncertainty, shall be rejected and not counted, but the ballot paper shall not be rejected by reason only of carrying the words “one”, “two”, “three” and so on, or any other mark instead of a figure if, in the opinion of the returning officer, the word or mark clearly indicates a preference or preferences.

(2) The returning officer is to endorse the word “rejected” on any ballot paper which under this rule is not to be counted.

(3) The returning officer is to draw up a statement showing the number of ballot papers rejected by him or her under each of the subparagraphs (a) to (d) of paragraph (1).

FPP39. Rejected ballot papers – (1) Any ballot paper –

(a) which does not bear the features that have been incorporated into the other ballot papers to prevent them from being reproduced,

(b) on which votes are given for more candidates than the voter is entitled to vote,

(c) on which anything is written or marked by which the voter can be identified except the unique identifier, or

(d) which is unmarked or rejected because of uncertainty, shall, subject to paragraphs (2) and (3) below, be rejected and not counted.

(2) Where the voter is entitled to vote for more than one candidate, a ballot paper is not to be rejected because of uncertainty in respect of any vote where no uncertainty arises, and that vote is to be counted.

(3) ballot paper on which a vote is marked –

- (a) elsewhere than in the proper place,
- (b) otherwise than by means of a clear mark,
- (c) by more than one mark,

is not to be rejected for such reason (either wholly or in respect of that vote) if an intention that the vote shall be for one or other of the candidates clearly appears, and the way the paper is marked does not itself identify the voter and it is not shown that he or she can be identified by it.

(4) The returning officer is to –

- (a) endorse the word “rejected” on any ballot paper which under this rule is not to be counted, and
- (b) in the case of a ballot paper on which any vote is counted under paragraph (2) or (3) above, endorse the words “rejected in part” on the ballot paper and indicate which vote or votes have been counted.

(5) The returning officer is to draw up a statement showing the number of rejected ballot papers under the following headings –

- (a) does not bear proper features that have been incorporated into the ballot paper,
- (b) voting for more candidates than the voter is entitled to,
- (c) writing or mark by which voter could be identified, and
- (d) unmarked or rejected because of uncertainty,

and, where applicable, each heading must record the number of ballot papers rejected in part.

STV40. First stage – (1) The returning officer is to sort the ballot papers into parcels according to the candidates for whom the first preference votes are given.

(2) The returning officer is to then count the number of first preference votes given on ballot papers for each candidate, and is to record those numbers.

(3) The returning officer is to also ascertain and record the number of valid ballot papers.

STV41. The quota – (1) The returning officer is to divide the number of valid ballot papers by a number exceeding by one the number of members to be elected.

(2) The result, increased by one, of the division under paragraph (1) above (any fraction being disregarded) shall be the number of votes sufficient to secure the election of a candidate (in these

rules referred to as “the quota”).

(3) At any stage of the count a candidate whose total votes equals or exceeds the quota shall be deemed to be elected, except that any election where there is only one vacancy a candidate shall not be deemed to be elected until the procedure set out in paragraphs (1) to (3) of rule 44 has been complied with.

STV42. Transfer of votes – (1) Where the number of first preference votes for any candidate exceeds the quota, the returning officer is to sort all the ballot papers on which first preference votes are given for that candidate into sub-parcels so that they are grouped –

(a) according to next available preference given on those papers for any continuing candidate, or

(b) where no such preference is given, as the sub-parcel of non-transferable votes.

(2) The returning officer is to count the number of ballot papers in each parcel referred to in paragraph (1) above.

(3) The returning officer is, in accordance with this rule and rule STV43 below, to transfer each sub-parcel of ballot papers referred to in paragraph (1)(a) to the candidate for whom the next available preference is given on those papers.

(4) The vote on each ballot paper transferred under paragraph (3) above shall be at a value (“the transfer value”) which –

(a) reduces the value of each vote transferred so that the total value of all such votes does not exceed the surplus, and

(b) is calculated by dividing the surplus of the candidate from whom the votes are being transferred by the total number of the ballot papers on which those votes are given, the calculation being made to two decimal places (ignoring the remainder if any).

(5) Where at the end of any stage of the count involving the transfer of ballot papers, the number of votes for any candidate exceeds the quota, the returning officer is to sort the ballot papers in the sub-parcel of transferred votes which was last received by that candidate into separate sub-parcels so that they are grouped –

(a) according to the next available preference given on those papers for any continuing candidate, or

(b) where no such preference is given, as the sub-parcel of non-transferable votes.

(6) The returning officer is, in accordance with this rule and rule STV43 below, to transfer each sub-parcel of ballot papers referred to in paragraph (5)(a) to the candidate for whom the next available preference is given on those papers.

(7) The vote on each ballot paper transferred under paragraph (6) shall be at –

(a) a transfer value calculated as set out in paragraph (4)(b) above, or

(b) at the value at which that vote was received by the candidate from whom it is now being transferred, whichever is the less.

(8) Each transfer of a surplus constitutes a stage in the count.

(9) Subject to paragraph (10), the returning officer shall proceed to transfer transferable papers until no candidate who is deemed to be elected has a surplus or all the vacancies have been filled.

(10) Transferable papers shall not be liable to be transferred where any surplus or surpluses which, at a particular stage of the count, have not already been transferred, are –

(a) less than the difference between the total vote then credited to the continuing candidate with the lowest recorded vote and the vote of the candidate with the next lowest recorded vote, or

(b) less than the difference between the total votes of the two or more continuing candidates, credited at that stage of the count with the lowest recorded total numbers of votes and the candidate next above such candidates.

(11) This rule does not apply at an election where there is only one vacancy.

STV43. Supplementary provisions on transfer – (1) If, at any stage of the count, two or more candidates have surpluses, the transferable papers of the candidate with the highest surplus shall be transferred first, and if –

(a) The surpluses determined in respect of two or more candidates are equal, the transferable papers of the candidate who had the highest recorded vote at the earliest preceding stage at which they had unequal votes shall be transferred first, and

(b) the votes credited to two or more candidates were equal at all stages of the count, the returning officer shall decide between those candidates by lot, and the transferable papers of the candidate on whom the lot falls shall be transferred first.

(2) The returning officer shall, on each transfer of transferable papers under rule STV42 above –

(a) record the total value of the votes transferred to each candidate,

(b) add that value to the previous total of votes recorded for each candidate and record the new total,

(c) record as non-transferable votes the difference between the surplus and the total transfer value of the transferred votes and add that difference to the previously recorded total of non-transferable votes, and compare,

(i) the total number of votes then recorded for all of the candidates, together with the total number of non-transferable votes, with

(ii) he recorded total of valid first preference votes.

(3) All ballot papers transferred under rule STV42 or STV44 shall be clearly marked, either individually or as a sub-parcel, so as to indicate the transfer value recorded at that time to each vote on that paper or, as the case may be, all the papers in that sub-parcel.

(4) Where a ballot paper is so marked that it is unclear to the returning officer at any stage of the count under rule STV42 or STV44 for which candidate the next preference is recorded, the returning officer shall treat any vote on that ballot paper as a non-transferable vote; and votes on a ballot paper shall be so treated where, for example, the names of two or more candidates (whether continuing candidates or not) are so marked that, in the opinion of the returning officer, the same order of preference is indicated or the numerical sequence is broken.

STV44. Exclusion of candidates – (1) If—

(a) all transferable papers which under the provisions of rule STV42 above (including that rule as applied by paragraph (11) below) and this rule are required to be transferred, have been transferred, and

(b) subject to rule STV45 below, one or more vacancies remain to be filled, the returning officer shall exclude from the election at that stage the candidate with the then lowest vote (or, where paragraph (12) below applies, the candidates with the then lowest votes).

(2) The returning officer shall sort all the ballot papers on which first preference votes are given for the candidate or candidates excluded under paragraph (1) above into two sub-parcels so that they are grouped as—

(a) ballot papers on which a next available preference is given, and

(b) ballot papers on which no such preference is given (thereby including ballot papers on which preferences are given only for candidates who are deemed to be elected or are excluded).

(3) The returning officer shall, in accordance with this rule and rule STV43 above, transfer each sub-parcel of ballot papers referred to in paragraph (2)(a) above to the candidate for whom the next available preference is given on those papers.

(4) The exclusion of a candidate, or of two or more candidates together, constitutes a further stage of the count.

(5) If, subject to rule STV45 below, one or more vacancies still remain to be filled, the returning officer shall then sort the transferable papers, if any, which had been transferred to any candidate excluded under paragraph (1) above into sub-parcels according to their transfer value.

(6) The returning officer shall transfer those papers in the sub-parcel of transferable papers with the highest transfer value to the continuing candidates in accordance with the next available preferences given on those papers (thereby passing over candidates who are deemed to be elected or are excluded).

(7) The vote on each transferable paper transferred under paragraph (6) above shall be at the value at which that vote was received by the candidate excluded under paragraph (1) above.

(8) Any papers on which no next available preferences have been expressed shall be set aside as non-transferable votes.

(9) After the returning officer has completed the transfer of the ballot papers in the sub-parcel of ballot papers with the highest transfer value he or she shall proceed to transfer in the same way the sub-parcel of ballot papers with the next highest value and so on until he or she has dealt with each sub-parcel of a candidate excluded under paragraph (1) above.

(10) The returning officer shall after each stage of the count completed under this rule—

(a) –

(i) the total value of votes, or

(ii) the total transfer value of votes transferred to each candidate,

(b) add that total to the previous total of votes recorded for each candidate and record the new total,

(c) record the value of non-transferable votes and add that value to the previous non-transferable votes total, and

(d) compare—

(i) the total number of votes then recorded for each candidate together with the total number of non-transferable votes, with

(ii) the recorded total of valid first preference votes.

(11) If after a transfer of votes under any provision of this rule, a candidate has a surplus, that surplus shall be dealt with in accordance with paragraphs (5) to (10) of rule STV42 and rule STV43.

(12) Where the total of the votes of the two or more lowest candidates, together with any surpluses not transferred, is less than the number of votes credited to the next lowest candidate, the returning officer shall in one operation exclude such two or more candidates.

(13) If when a candidate has to be excluded under this rule, two or more candidates each have the same number of votes and are lowest—

(a) regard shall be had to the total number of votes credited to those candidates at the earliest stage of the count at which they had an unequal number of votes and the candidate with the lowest number of votes at that stage shall be excluded, and

(b) where the number of votes credited to those candidates was equal at all stages, the returning officer shall decide between the candidates by lot and the candidate on whom the lot falls shall be excluded.

STV45. Filling of last vacancies – (1) Where the number of continuing candidates is equal to the number of vacancies remaining unfilled the continuing candidates shall thereupon be deemed to be elected.

(2) Where only one vacancy remains unfilled and the votes of any one continuing candidate are equal to or greater than the total of votes credited to other continuing candidates together with any surplus not transferred, the candidate shall thereupon be deemed to be elected.

(3) Where the last vacancies can be filled under this rule, no further transfer of votes shall be made.

STV46. Order of election of candidates – (1) The order in which candidates whose votes equal or exceed the quota are deemed to be elected shall be the order in which their respective surpluses were transferred, or would have been transferred but for rule STV42(10) above.

(2) A candidate credited with a number of votes equal to, and not greater than, the quota shall, for the purposes of this rule, be regarded as having had the smallest surplus at the stage of the count at which he or she obtained the quota.

(3) Where the surpluses of two or more candidates are equal and are not required to be transferred, regard shall be had to the total number of votes credited to such candidates at the earliest stage of the count at which they had an unequal number of votes and the surplus of the candidate who had the greatest number of votes at that stage shall be deemed to be the largest.

(4) Where the number of votes credited to two or more candidates were equal at all stages of the count, the returning officer shall decide between them by lot and the candidate on whom the lot falls shall be deemed to have been elected first.

FPP46. Equality of votes – Where, after the counting of votes is completed, an equality of votes is found to exist between any candidates and the addition of a vote would entitle any of those candidates to be declared elected, the returning officer is to decide between those candidates by a lot, and proceed as if the candidate on whom the lot falls had received an additional vote.

FPP47. Declaration of result for contested elections – (1) In a contested election, when the result of the poll has been ascertained, the returning officer is to –
