

Moorfields Consultancy team biographies

We bring a multidisciplinary team from Moorfields who have the right expertise to share and support you improve

Core team	Melanie Hingorani (Consultant Ophthalmologist) <i>Clinical Lead, Moorfields Consultancy</i>
	<p>Doctor Hingorani is a consultant ophthalmologist specialising in paediatric ophthalmology and ocular motility, and Clinical Director for External Engagement and Policy, at Moorfields Eye Hospital.</p> <p>She qualified from Oxford University and Guy's Hospital Medical Schools. She obtained an MD (research in pathophysiology and treatment of severe allergic eye disease) at the UCL Institute of Ophthalmology and trained in North London, mainly at Moorfields Eye Hospital and the Western Eye Hospital. She practised in general ophthalmology including high volume cataract surgery and has a subspecialist interest in paediatric external eye disease and corneal disorders, particularly serious ocular allergy and aniridia, and also in clinical governance, safety and clinical leadership in ophthalmic care. She was Clinical Director for Quality and Safety at Moorfields for six years and is founder and Chair of the UK Ophthalmology Alliance.</p> <p>She is a member of the National Ophthalmic Audit Steering Group, Chair of Professional Standards at the Royal College of Ophthalmologists and also sits on the College Scientific Committee and the College Council.</p>
Project role	Overall responsibility for team deliverables and engagement of key stakeholders

Core team	Jonathan Wilson (Chief Financial Officer) <i>Executive Sponsor, Moorfields Consultancy</i>
	<p>Jonathan re-joined Moorfields Eye Hospital in November 2018 as Chief Financial Officer having previously worked at the Royal National Orthopaedic and Homerton Hospital as Director of Finance.</p> <p>He is an experienced Board-level Executive Director, with 21 years of healthcare management experience.</p> <p>Jonathan has close working relationships with NHS Improvement as the key regulatory stakeholder, ensuring that they have confidence in both the Trusts' overarching financial strategy and in-year financial performance. He has significant experience in leading organisational discussions around unwarranted variation and cost improvement opportunities within clinical specialities. At Homerton NHS Foundation Trust, Jonathan led implementation of Service Line Reporting to improve quality of information available for decision making.</p> <p>Jonathan holds a BA (Hons) with first class and is a member of Chartered Institute of Public Finance and Accountancy (CIPFA).</p>
Project role	Provide quality assurance and overall risk management

Moorfields Consultancy team biographies

We bring a multidisciplinary team from Moorfields who have the right expertise to share and support you improve

Project support

Anita Aubrey
Senior Service Improvement Manager

Anita is a Senior Service Improvement Manager at Moorfields Eye Hospital in London.

She has considerable experience within all aspects of ophthalmology and has acted as the lead nurse on both national and international ophthalmic reviews for other health bodies.

Anita trained in adult nursing and then specialised as a paediatric nurse at The Hospital for Sick Children, Great Ormond St, London and as an ophthalmic nurse at Moorfields Eye Hospital, London. Anita has a particular interest in staff well-being and is a trained clinical facilitator in Schwartz methodology.

She holds a Masters in Health Service Management and is a member of the Royal College of Nursing (RCN) and National Nursing and Midwifery Council (NMC).

Project support

Hayley Raison
Primary Care Relationship Manager

Hayley is currently employed by Moorfields in the business development team as a Primary Care Relationship Manager.

She has a professional background in account and relationship management largely gained from the financial sector, where she worked for BlackRock Investment Managers as a registered asset management advisor. She was then employed as an account and business manager for a learning and development consultancy, before joining Moorfields.

Hayley has considerable experience working with a wide breadth of clients. Whilst at Moorfields has worked with senior management and CCG's on a variety of projects to help improve patient pathways and experience.

Project support

Erandi Ranasinghe
Head of Financial Planning and Projects

Erandi is a Finance/ Project Lead at Moorfields Eye Hospital in London.

She has significantly contributed to the Trust cost improvement program through detailed assessments of current operational performance of key hospital activity (surgical theatre operations, outpatients, and clinical support services). This provided an indication of improvement opportunities, including quantified financial benefits.

Prior to joining Moorfields, she was a Management Consultant in the Ernst & Young Health Performance Improvement practice in Melbourne. She has worked with number of public sector health clients to deliver operational efficiency and sustainability programs of work.

She has a Masters degree in Applied Finance and is a member of Institute of Chartered Accountants Australia (ICAA).
